R.C.No.941-MC2/53 dated 10-11-1953.

Sir,

Sub: WAR - Educational concessions to children and dependants of soldiers - M. Veerappa, Government Arts College, Mangalore Recovery of amount.

62070

A student, M. Veerappa, was granted educational concessions in the B.A. Class in Government Arts College, Mangalore, and later, also in the B.Com class. The Principal was asked to recover the amount of benefit the student enjoyed by the grant of educational concessions in the B.Com class, since he had already enjoyed educational concessions in the B.A. class and B.Com is only a course similar to the B.A. or the B.Sc. in an Arts College. The Officer Commanding, H.Q. Southern Command, Poona, sent an appeal from the soldier Sri M. Madhavan, whom the student depends, for sympathetic consideration of the case. He was informed that the amount has to be recovered, since concessions cannot be repeated for similar courses. The Officer in his letter No.8222302 stats1(a) dated 9-9-53 - (Copy submitted herewith) states that B.A. and B.Com are not similar courses and that the latter is to be considered as a professional course. He adds that the amount should be written off or that this be represented to Government for a ruling. In the circumstances, I request that the Commanding Officer may be informed that the student is not eligible for educational concessions in the B.Com class and that the amount received thereby by the student should be refunded without delay.

Yours faithfully,
for Director of Public Instruction

Sub: WAR - FREE concessions to the dependants of soldiers Grant of.
Ref: Your No.MC2/53 dated 17-8-53.

The decision conveyed under your No.941-MC2/53 dated 11-7-53 is considered as most unhelpful and unjustifiable for the following reasons:-

a) The Educational concessions has been granted to the individual in full for the whole course except Boarding Charges for the 2nd year by the Government and depending on this the student completed his B.Com course. If he was not entitled to the concessions he should have not been sanctioned the Educational concession at the beginning in 1951- By granting the concessi at the beginning the student was practically encouraged to take the B.Com course.
b) In accordance with your own statement vide your No.961-MC2/53 dated 4-6-53 the Educational concession is admissible to the student after a degree course for post graduate, Law, Medical etc courses. i.e., for qualifying in professional courses.
c) B.Com, is considered as a professional course as against B.A. (Arts) and both are not identical in accordance with your Rc.No.704.W1/51 dated 27-6-52 wherein the classification of Arts and Professional courses are as follows:-

A | Arts (i) Intermediate (ii) B.A.(iii) B.A.(Hons) & (iv) M.A.
Professional courses (i) B.Sc., Engineering, Medical, Law etc.

here under Arts every course has been mentioned whereas under Professional courses the word "ETC" is mentioned that means this group is

incomplete as against Arts Group. As "ETC" is NOT mentioned against Arts group, B.Com comes under professional group.

d) In your Rc.No.941 MC2/53 dated 11-7-1953 it is stated that B.A. and B.Com are similar courses since the minimum qualification required for the admission for both these courses ia a pass intermediate. It may be noted that even for the admission to the Engineering and Medical College the minimum qualification required is also intermediate. By this does it mean that B.A. Engineering and Medical are similar courses. Minimum qualification for admission is not at all the criteria by which the validity of a degree is judged.

e) Originally the concession was granted on the poverty certificate produced by the candidate and being the dependant of a soldier and it is not understood how the individual of No.6858724 HAV Clerk M. Madhav can now refund the amount after the completion of his course. A soldier also cannot be penalised for the amount spent by the Government to promote the education of his dependant in the absence of Government order or any other instructions to contradict the G.O.No.1879 Education dated 28-7-1950.

f) This H.Q. is of the opinion that this question has arisen due to difference of opinion and misinterpretation of the instructions.

2. This H.Q. strongly recommends that the amount already granted to the individual should be regularised as interpreted by this H.Q. or written off by you.

3. If you still consider and justify that the individual or his soldier brother should refund the amount the matter should be represented to the Government of Madras for a ruling.

4. Your early reply is requested.

R.C.No.941-MC2/53 Dated 15-1-1954.

Sir,

Sub:- War - Educational concessions to children and dependants of soldiers - Sri M.Veeranna, Government Arts College, Mangalore - Recovery of Amount -

E 4

Ref:- Government Memorandum No.62070-E4/53-1 Dated 17-11-1953

The amount that is to be recovered from the student is Rs.521-8-0. The Principal, Government Arts College, Mangalore who was asked to state the circumstances under which the student was granted educational concessions in the B.Com. Class, in addition to the educational concessions in the B.A., Class, reports that, as per para 6 of Appendix to G.O.No.1879 Education, dated 27-6-1950, educational concessions to students for their studies which may include more than one course of study are permitted and that therefore the student was granted educational concessions for the B.Com., Course as well after the B.A. course.

The term 'more than one course of study' has to be taken to mean only courses necessary for leading on to a further course or stage in the studies and not to a piling up of similar courses or parallel courses in succession, in the same stage, nor to a redundant course not necessary for a further course or stage. In one case a student applied for educational concessions for the Engineering course after he had done the B.A., course; and the Principal was informed that the student was not eligible for the concessions for the Engineering course, even though he was otherwise eligible, unless and until he had refunded the benefits of concessions enjoyed by him for the B.A., course, since the minimum qualification for the Engineering course is the Intermediate Arts Course. For, educational concessions are not to be used for prosecuting unplanned and aimless studies, which a person of normal prudence and thrift, having to rely on his own resources, would not pursue, and it is therefore considered that educational concessions for parallel courses, in succession, in the same stage are not permissible, as it will only mean a needless expenditure from State funds and hence unjustifiable.

It was in accordance with the above principles that the Principal was asked to recover the amount in the case in question. For the B.Com., is not to be considered a professional course, and even were it considered so, recovery will have to be effected from the student, if not for the B.Com., Course, then for the B.A., course, which is not necessary for leading on to the B.Com., Course.

However, as suggested by Government, I agree that the amount may be written off, since the student has completed the course with the help of educational concessions.

Yours faithfully,

Sri M. Veerappa was granted educational concessions under G.O No 1879 Edn dated 27.6.50 in the B.A class in the Govt Arts College Mangalore and later in the B.Com class also.
